22) Both the Daffedar Shivanna and Peon Kalandar Sab were less than 60 years of age each on the dates of their retirement i e on 1-4-1948 and 10-8-48, their dates of birth being 15-6-1893 and 1-7-1896 respectively as per entries in their service registers The incapacity of the employees for service in each case should have been established by a Medical Certificate attested by a District Medical Officer not below the rank of an Assistant Surgeon under Article 291 M S R It is irregular to have retired them without obtaining such Medical Certificates Even if the above persons had been retired on Medical Certificates they would have become entitled to pension under Article 321 (b) M S R as the qualifying service in each case is not less than 15 years as testified to by the entries in the Service Registers and an officer entitled to - - pension may not take a gratuity instead of pension under Article 318 M S R

23) The action of the Municipal Council in having retired the above two persons in the absence of Medical Certificates and having already paid gratuity to one of them in anticipation of sanction of Government is thus irregular and unauthorised

It is seen that Sivanna is just 55 years old and Khalander Sab is only 52 years of age It is reported by the President that Daffedar Sivanna has already been retired and that Khalander Sab will be retired shortly It is also reported that a sum of Rs 200/ was already paid on 10-5-48 to the former pending sanction of Government to the proposals made by the Municipal Council and it is requested that sanction may kindly be communicated early

In this connection, it may be stated that the grant of such amounts as proposed by the Municipal Council is not contemplated under the provisions of the Town Municipalities Act, as the services of the Menials are pensionable However, in view of the fact that the expenditure has been actually incurred, I request that suitable orders of Government may kindly be communicated to the President, Town Municipal Council, Birur, on the above

It is stated by the President, Town Municipal Council, Birur in his letter dated 24th September 1948 that though the above named two individuals are entitled to the benefit of Pension, the Municipal Council decided to pay a lumpsum amount of Rs 250/- to each of them in lieu of pension and that the proposal of the Council is not in accordance with any of the provisions of either the Mysore Service Regulations or the Town Municipalities Act 1933 It is further stated that a sum of Rs 200/- was paid on 10-5-1948 to H Shivanna in anticipation of Sanction of Government ~~Order~~ as the said individual was bound to his native place, Hubli, that this payment was sanctioned by the Municipal Council in the circumstances of the case, the Khalander Sab has retired from service from 16-8-1948, and that question of paying the difference of pay due to the revision of scale of pay will be considered by the Municipal Council It is also stated that the points raised in your letter adverted to supra were considered by the Municipal Council on 28-10-1948 and that it was resolved to treat the letter dated 24-9-1948 of the President as self-explanatory and to solicit the sanction of Government to the proposal of the Council in regard to the grant of a commuted amount to each of the above two individuals as a special case

on medical certificates they would have become entitled to pension under Art 321(b) MSR as the qualifying service in each case is not less than 15 years as certified to by the entries in the service registers and an officer entitled to pension may not take a gratuity instead of pension under Art 318 MSR
